DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

1. The reply filed on 3/13/08 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The invention now claimed is directed to an engine turbine section and the originally elected invention is an outer air seal assembly. Applicant should amend or provide new claims that are directed to an outer air seal assembly and not to an engine turbine section. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
